

British Carriagedriving National Championships

Ashfields, Essex

13-15 August 2021

Qualification Criteria

for drivers competing at National Driving Trials, Regional Driving Trials or Club Novice Qualifier events (for National Novice Championships).

If there are 5 or more competitors in the class, the highest two will qualify, disregarding those already qualified, from the first eight places.

If there are 1 to 4 in the class - the one highest placed, disregarding those already qualified.

The number of competitors in a class will be taken as the number who started the competition, as shown in the results sheet.

In order to qualify, a competitor must be a Supporting, Associate, Full or International member of British Carriagedriving (depending on the class entered) and must complete all three phases of the competition without elimination or retirement.

For 2021 Championships ONLY:

Any competitor who completes one National AND one other National or Regional event, held prior to the Championship closing date, will be deemed to have qualified.

National Champions from 2019 need to complete one of the 2021 National or Regional events to be deemed to have qualified.

Official confirmation of qualification can be obtained from the British Carriagedriving office.
